

# KIRRIBILLI ART & DESIGN + FASHION MARKETS

## FREQUENTLY ASKED QUESTIONS

### **Where do I unload?**

Between 7am and 9am we offer a 5 minute loading zone in Burton Street (off Alfred St). This area is manned by Traffic Marshals; please pay attentions to the directions given by them. Double parking is illegal on public roads and police do patrol the area. No stallholder is permitted to double park while unloading. The loading zone opens again from 3pm to 4pm for pack-up.

### **Parking**

There is free street parking available in the vicinity of the market. The earlier you arrive, the better chance you have of accessing a free all-day street park.

### **Do I need to check in?**

No. Stallholders can go straight to their stall site and commence setting up immediately. Stall numbers are marked with white paint and a map is available at the Information Tent if you cannot find your site. Make sure you check your allocation before setting up. Stallholders are encouraged to bring their receipts on market day.

### **How do I know my stall number?**

Stall allocations are available on the website from the Thursday before each market ([www.kirribillimarkets.com](http://www.kirribillimarkets.com)) or at the Information Tent on Market Day.

### **Where do I pick up my table?**

Stallholders must pre-pay for their trestle table before the market. The tables are available along the Bowling Club side of Bradfield Park. Market staff will be there with a list with those who have paid for tables. Stallholders are encouraged to bring their receipts on market day as proof of purchase. If your name is not on this list you will have to pay cash to hire a table. A limited number of tables will be available for hire on market day. They are hired out on a first-come-first-served basis. You must have the correct change (\$20.00) to hire a table.

### **Can I choose my stall?**

No. Stalls are allocated depending on the products that are being sold.

### **What if it rains?**

Kirribilli is an all weather market and operates in all conditions. We encourage stallholders to come prepared for all weather including bringing a tent or cover. There are no refunds for rainy days. Some of our best trading occurs in wet weather!

### **Can I transfer or cancel my booking?**

No. A booking cannot be changed or altered once a booking has been confirmed and you have received a sales receipt. There are no refunds or changes of market dates.

**Please refer to the Terms and Conditions attached to the application form for extensive information for stallholders**
